**A Volunteer Community Car  
and Befriending Scheme for  
Oundle, Thrapston and  
surrounding villages,  
including Wansford Surgery**

## Do you need a Driver?

Membership is free of charge however you will need to meet our criteria which may include age or other support needs and where you live. The cost is 45 per mile with a minimum charge of £3 per drive. There is a £1 booking fee per completed drive.

Your driver will wait up to an hour for social visits, or two hours for hospital appointments or you can book two journeys if you need more time. We can take you almost anywhere - please ask.

*Driving in the Community*

## Do you need a friend to talk to?

We can provide a regular companion for one-to-one support for the elderly and those isolated by disability. DBS-checked, trained volunteers can visit you in your home to offer a listening ear and company for an agreed length of time, or talk to you on the phone at a regular time each week. There is no charge for this service.

We also have a monthly Monday Meet up in Oundle and Thrapston - please contact the office for more details.
