

Suggestions for Jubilee from residents

1 Village get together game s, picnic, bbq

2 I think I already replied. Would it be a good idea to have a working party of village gps so they are not all planning separate things. Also if PC shared their views on what they have planned so not everybody doing their own thing.

3 It would be nice to invest in hanging baskets for lamp posts that would look pretty and be there for years to come to enjoy. Or, more benches around the village/ meadow.

4 Do you have plans to ask residents not on fb? I assume you will use the newsletter. It should be something inclusive and lasting. How about a pentanque square/pitch with a small tree, some new benches eg on Stanion, Sudborough and Lyveden Road and Bridge St

5 Some thing on the meadow. Tables for teas.

6 Maybe we could come together as the fantastic village that we are and celebrate in style in a similar theme to the celebrations that are going ahead for the event: hall hill could be closed off and turned into 'the big lunch'. The meadow could be an area of festival, arts, circus activities, fun and amusements. The local horse / hunt could take part in a parade / dressage event, we could have stalls and games. A 'tea / party in the park' type celebration. The cricket club / village hall could show the live feed from the palace and any speeches.

7 Just have street parties

8 We shouldn't celebrate it and should use the money for a worthy cause instead of celebrating royalty. Something along the lines of the party organised for the kids that we had for the royal wedding on the meadow. Plus a bar from the cricket club for the adults. Decorate the centre of the village with bunting etc. Village Fete with celebrations on the meadow

Suggestions for Jubilee from residents

- 9 Close the High Street and have a giant street party, with bunting across the High Street, flags flying from the houses. Etc.

- 10 A 50's dress tea party for the children on the meadow and old fashioned fancy dress

- 11 It would be good to have some organised events to celebrate this

- 12 Celebrations based around the meadow and village hall. Similar to beer festival family day.

- 13 Could a plaque or the like commemorating the date be added to the cross?

- 14 There is a scheme called the Queen's Green Canopy which is providing free trees to plant. There could be a small area planted in the meadow by the roadside or the far corner in the long grass by the brook

- 15 Develop a Jubilee wildflower meadow. Hugely environmentally friendly, looks good and can be enjoyed by all. Maybe a street party?

- 16 Retarmac the road near the church out of the village

- 17 Being 70 years, it would be great if we could get 70 locals to take it in turns to toll one of the church bells. Each person will receive a certificate and we will record the names and ages of all 70 for posterity

- 18 A booklet with memories of villagers who lived here on important dates in the past.

- 19 WI is putting on a 50's night on the Friday at VH.

- 20 Bunting out up around the village
